

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People of MI v Stafnie Frank Booker**

Docket No. **283427**

L.C. No. **95-138294 FC**

Henry William Saad, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),
orders:

The delayed application for leave to appeal and motion for miscellaneous relief filed February 4, 2008, are DISMISSED for lack of jurisdiction because they were not filed within 12 months of the March 13, 2006, order denying a motion for relief from judgment as required by MCR 7.205(F)(3). The Court of Appeals lacks the authority to extend the time limit for a jurisdictional act. See MCR 7.216(B). The filing of an application for leave to appeal within 12 months of the order appealed is a jurisdictional act.
